The Carncot Scholarship

For a child with exceptional potential in family who would otherwise be unable to send their children to Carnot School

This valuable scholarship is offered for the first time, through the generosity of a current family who have seen the impact that Carncot has already made for their own children. Applications are now open for a boy or girl to enter Year 6 or Year 7 in 2023. The value of this scholarship is 75% of the tuition fee, for three (or two) years. Additional financial assistance may be provided by the school to facilitate enrolment if it is shown to be necessary.

General Excellence Entering Year 5 or 6

The Carncot Trust Board offers External Scholarships to students not currently at the School and entering Year 5, 6 or 7 who display excellence in academic, musical, sporting and/or cultural fields.

With our senior classes being close to capacity for 2023 entry, scholarships are more likely to be awarded for entry into Year 5 or Year 6.

Students will be required to attend an interview with the Principal. An academic examination may be required. The value of these scholarships is a proportion of the
